SUPPLEMENTAL AMENDMENT

The Honorable Assistant Commissioner for Patents Washington, DC 20231

Sir:

In response to the non-final Office Action mailed May 1, 2000 and further to Applicant's Amendment and Response submitted on August 9, 2000, please enter the following amendment and reconsider the above-captioned application in view of the following remarks.

AMENDMENT

IN THE CLAIMS:

Please amend claim 53 as follows.

53. (amended) A process of substantially preventing the formation of at least one nitrosamine in a harvested tobacco plant, the process comprising:

drying at least a portion of the plant, while said portion is uncured, yellow, and in a state susceptible to having the formation of nitrosamines arrested, in a controlled environment and for a time sufficient to substantially prevent the formation of said at least one nitrosamine;
